A Special Community Celebration: Vincent House Pasco Home Dedication

Vincent House Pasco, in partnership with Withlacoochee River Electric Cooperative (WREC), Congressman Gus Bilirakis, and local community partners, invites the public to join in a special milestone event—the dedication of the first of 15 new homes supporting mental health recovery and independent living.

The Home Dedication Ceremony will take place on Monday, March 30, 2026, at 2:00 PM at Vincent House Pasco, located at 11145 Denton Ave., Hudson, FL 34667.

This new housing initiative will provide stable, affordable homes for Vincent House members as they work toward recovery, purpose, and long-term independence. Guests will enjoy refreshments, meet the teams behind the project, and take part in guided tours of both the clubhouse and the new housing community.

WREC is honored to stand beside Vincent House and its partners in supporting this life-changing program. The community is encouraged to attend, celebrate, and learn more about the transformative impact these homes will have for members and families across Pasco County.

All are welcome. Tours begin at 1:00 PM; dedication ceremony begins at 2:00 PM.

About Vincent House:

Vincent House's mission is to assist, promote, and celebrate individuals as they improve their social and vocational skills, offering a path of recovery and hope for those with mental illness. Through the Work Ordered Day, members work alongside staff during typical working hours, developing essential skills for successful recovery. The Clubhouses are restorative communities that emphasize the power of work and relationship building in the recovery process.

About Withlacoochee River Electric Cooperative, Inc. (WREC):

Withlacoochee River Electric Cooperative, Inc. is a not-for-profit electric cooperative serving over 280,000 homes and businesses in Pasco, Hernando, Citrus, Polk, and Sumter counties since 1947. WREC is dedicated to providing safe and resilient energy and services at the best possible value to its members while actively contributing to the communities it serves.
