

# Lineman Larry's Lineman Appreciation Activity!

Name \_\_\_\_\_ School \_\_\_\_\_

Hi there, friends! I'm Lineman Larry, and I'm so excited to visit your school and learn all about what you're doing! As you can see, I'm a lineman! That means I help make sure the electricity stays on so you can turn on lights, watch your favorite shows, and play games on your tablet!

I work with my friends at your local electric cooperative to keep your home, school, and even playground powered up. And guess what? It's almost Lineman Appreciation Day! That's a special day where we celebrate all the hard-working linemen who keep our lights on.

I'd love your help to celebrate!

## Write a Letter to Lineman Larry and his Lineman Friends!

Lineman Appreciation Day is the perfect time to say thank you to the linemen who work hard to keep the electricity flowing. I'd love to share your kind words with my friends!

Write me and my lineman buddies a letter below. You can tell us about what you like to do when the lights are on, draw us a picture, or simply say thank you!

## Ask us a Question!

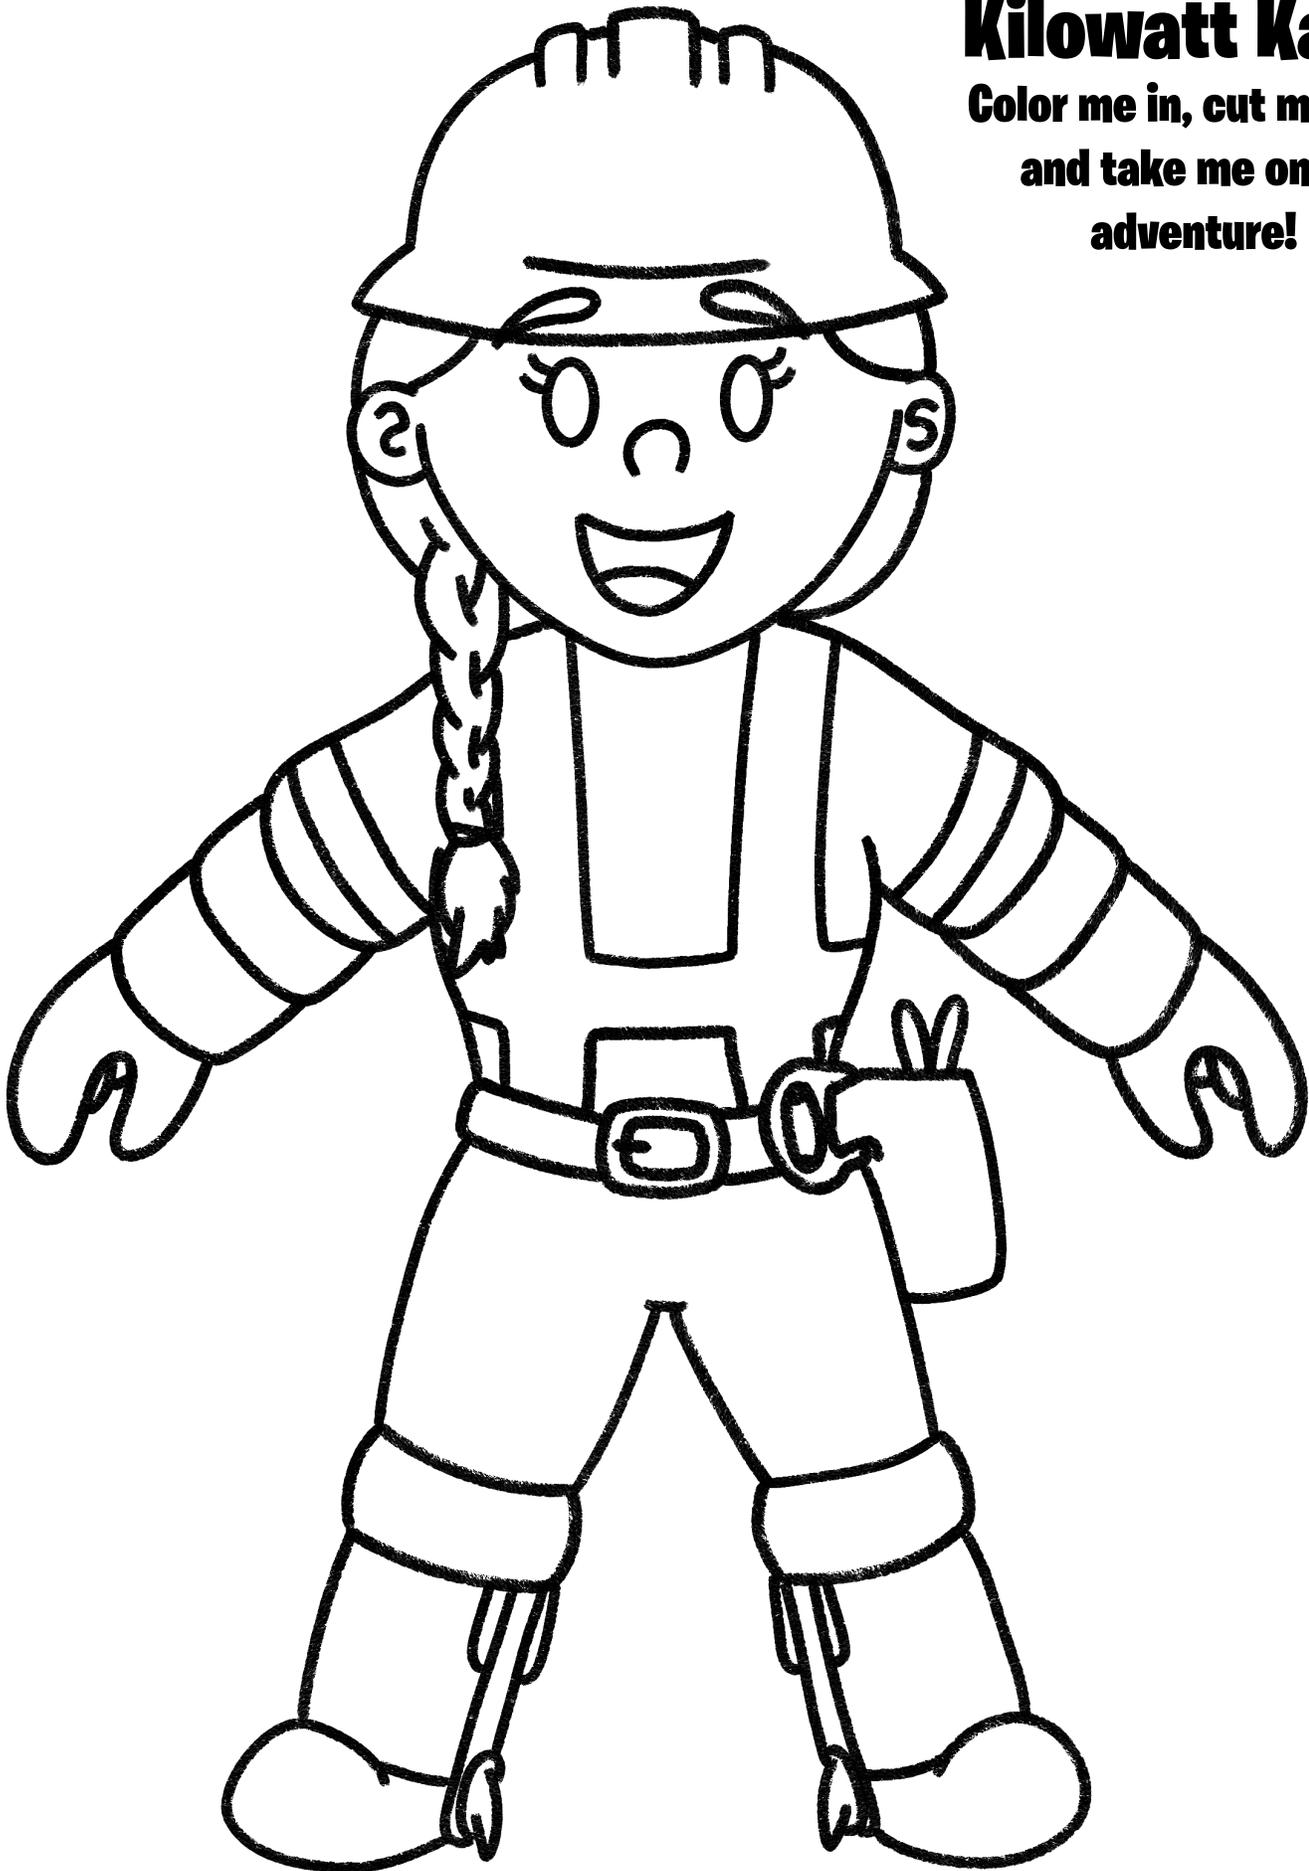

Now that you know all about linemen, what questions do you have for us? Write down what you'd like to ask, and one of my lineman friends might even write back with an answer!
