Register Today for SmartHub™ - An Easy Way to Keep Track of Your Account 24/7/365

SmartHub™ allows you to access your account information and the ability to control items such as bill pay, account overview, customer service, report a street light out, and our new feature of email and text notifications for power outages. You can check your billing history, check for outages on our outage map, explore your usage, or contact us for help with any WREC situation. Once you are registered at **SmartHub**, you can download our **SmartHub app** on a **tablet** or **smartphone**. All you need is your account number and a valid email address to start. Access is available from the **WREC Website** at **wrec.net**. Once registered for **SmartHub**, you can take advantage of many notifications that are offered to you by following seven simple steps:

Notifications, Including Our New Power Outage Notifications...

- 1) Login to **SmartHub** on your personal computer using your email address and password (you cannot use the **SmartHub App** to add notifications).
- 2) Select the Notifications tab found along the top of the **Home Page**.
- 3) Select **Manage Contacts** to add or update your email address or to add a mobile phone number if you wish to receive text notifications.
- 4) Select **Manage Notifications** to see which categories of notifications are available.
- 5) Select the **Service Tab**.
- 6) Select which **Power Outage Notifications** you want. These include **Planned Power Outage**, **Power Outage**, **Power Outage ETR** (Estimated Time of Restore) **Update**, and **Power Outage Restored**. All will display

as "None" until you select to have either a text message, email, or both sent to you for outage events.

- 7) Once you have made your choices, select "**Save Settings**", and you're done! You will now start receiving notifications for the selections in the format(s) you chose if those events occur.

Don't forget, there is also a mobile app that is available for download for your mobile phone from the **Apple Store** for **iPhone** or the **Google Play Store** for **Android™**. Search for **SmartHub** within the store and install. This gives you access on the go wherever you are, and has the same login process as your personal computer.

If you have any questions, please contact your local district office or our Member Service department.

Find Out The Latest EV Data By Visiting Our Website At: wrec.net

DID YOU KNOW? Electric Vehicles (EVs) are...

MORE THAN 50% CLEANER

Driving on electricity emits 54% fewer carbon dioxide emissions per mile than the average new gasoline car.

LESS THAN 1/2 IN FUEL COST

EV drivers spend the equivalent of about \$1.20 per gallon, based on average residential electric rates.

WREC's Chevy Bolt - "Lightning" - a real savings!
